PRESS RELEASE

DATE: April 18, 2007
TO: News Media
FROM: Steve Warren
Abilene High Football

Abilene High Eagle Football and the Children's Miracle Network are partnering together to host a Football Game for Special Needs kids. Some of our Abilene High ex-football players will be here to participate in this special event. Children's Miracle Network is a local non-profit organization dedicated to saving and improving the lives of children in the Big Country.

The game will be on Friday, May 18th at 6:00 pm. It will be held before the Abilene High Black and Gold game. There will be a \$2.00 charge at the gate and all proceeds will go to the Children's Miracle Network.

Join us for lots of fun and food, and help us support the Children's Miracle Network with this new and exciting event.
